Hon. Margo K. Brodie
United States District Court
225 Cadman Plaza East
Brooklyn, NY 11201

Re: *Hu et al. v. Whaleco et al.*, No. 23-cv-06962-MKB-RML

Dear Judge Brodie:

We represent Respondent Whaleco Inc. d/b/a Temu (“Temu”) in the above-referenced matter (the “*Hu* action”). We also represent Temu and its parent company PDD Holdings, Inc. in, *Ziboukh et al. v. Whaleco Inc. et al.*, No. 24-cv-03733-MKB-RML (the “*Ziboukh* action”) before Your Honor, and Temu in *McMahan et al. v. Whaleco, Inc d/b/a/ Temu*, No. 25-cv-01590-RER-VMS (the “*McMahan* action”) before Judge Reyes. We write on behalf of Temu to respectfully request that the *McMahan* action be deemed related to the *Hu* and *Ziboukh* actions pursuant to Rule 3 of the Rules for the Division of Business for the Eastern District of New York. Petitioners in the *McMahan* action marked this case as related to the *Hu* action on their Civil Cover Sheet, and Temu believes they should be related as well. *McMahan* action, ECF No. 1, Attachment 1.

Pursuant to Rule 3, cases are “related” if there are similar facts and legal issues or the cases arise from the same transaction or events, and it would therefore result in a more efficient use of judicial resources if they were assigned to the same District Judge. Those criteria are present here.

For one, the underlying dispute raised by Petitioners in the *McMahan* action is based on the same alleged privacy violations and theories advanced by the Plaintiffs in the *Hu* and *Ziboukh* cases. See *McMahan* action, ECF No. 1, Petition to Compel Arbitration (the “Petition”) at 1 (annexed hereto as Attachment A). Further, each of these cases concerns the arbitration agreement in Temu’s Terms of Use (“Terms”), and requires the Court to evaluate the scope and enforceability of the delegation clause and the informal dispute resolution conference provision contained in the arbitration agreement. See Petition at 3, 11; *Hu* action, ECF No. 45 at 22; *Ziboukh* action, ECF

LATHAM & WATKINS^{LLP}

No. 78 at 6.¹ Your Honor has already evaluated and ruled on such issues in the *Hu* action and briefing in the *Ziboukh* action addressing these issues is currently pending before the Court as well. Marking the Petition as related to those cases, and permitting Your Honor to evaluate the merits of the dispute here, will result in a considerable saving of judicial resources, and will avoid inconsistent rulings interpreting Temu's arbitration agreement.

Under Division of Business Rule 3(b), the parties have conferred and agreed that the instant case is related to *Hu* and *Ziboukh* and marking them as related under Rule 3(a) would make for a more efficient use of Court and party resources. Accordingly, Temu respectfully asks this court to mark the instant case related to *Hu* and *Ziboukh*.

Sincerely,

Serrin Turner
of LATHAM & WATKINS LLP

¹ In proceedings before the American Arbitration Association, Petitioners here pointed to briefing in the *Hu* action to advance their position and do so again here. See Petition at 11; *McMahan* action, ECF No. 1, Ex. 11 at 5-6.

ATTACHMENT A

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF NEW YORK

Aalany McMahan, Isaac Dwek, Luke
Seagraves, Avrohom Shor, Ariella Shor,
and the other claimants listed in
Appendix A,

Petitioners,

v.

Whaleco, Inc. dba Temu,

Respondent.

Case No.: 1:25-cv-01590

**Petition for an order compelling
arbitration before the AAA**

1. Aalany McMahan, Isaac Dwek, Luke Seagraves, Avrohom Shor, Ariella Shor, and the other claimants listed in Appendix A (the “claimants” or “Petitioners”) hereby petition this Honorable Court for an order compelling arbitration against Whaleco, Inc. *dba* Temu (“Temu” or “Respondent”) before the American Arbitration Association (the “AAA”).

Nature of the Petition

2. Petitioners are several of thousands of Temu customers who attempted to arbitrate their individual consumer claims against Temu before the AAA.

3. In the arbitration proceedings filed in the AAA, Petitioners alleged that Temu engaged in false advertising and deceptive trade practices by advertising deals that are false and deceptive with no intention of actually honoring them.

4. Petitioners also alleged that Temu unlawfully intercepted, collected, used, and disseminated consumers’ personal and private information. Specifically, Petitioners complained of Temu’s use of tracking pixels and other surveillance tools to intercept and gather information and data from visitors to its website, users of its mobile applications, and subscribers to Temu’s marketing communications. Temu then unlawfully disseminated the secretly obtained data to third parties.

5. In the AAA arbitrations, Petitioners brought causes of action for: (1) violations of New York General Business Law §349 and §350; (2) violations of the Electronic Communications Privacy Act (“ECPA”); (3) violations of state wiretapping statutes; (4) violations of the Video Privacy Protection Act (“VPPA”); (5) common law breach of expressed and/ or implied contract; and (6) breach of the implied covenant of good faith and fair dealing.

6. Respondent refused to allow the arbitrations to proceed. Respondent argued that it was not required to participate in arbitrations until a court has entered a ruling regarding the claimants’ obligation to meet a precondition to arbitration, under the applicable arbitration agreement.

7. The precondition at issue is a provision in the arbitration agreement that, according to Respondent, required the parties to conduct virtual settlement conferences before the claimants may file their claims in arbitration (the “conference provisions”).

8. Temu lacked any credible basis to delay the AAA arbitrations. As an initial matter, the conference provisions in the Agreement are not enforceable because they are unconscionable and designed to delay proceedings and chill consumers from bringing their meritorious claims.

9. In any case, Petitioners did, in fact, participate in the conferences on February 19, 2024, so the precondition was satisfied.

10. Furthermore, given Temu’s bad faith conduct before, during, and after the February 2024 conferences, Temu waived any argument that Petitioners are required to participate in additional conferences.

11. Temu admitted that it had no intention to engage in the settlement conferences in good faith. Instead, Temu used the conferences to attempt to “gather information” about consumers and their claims.

12. During the conferences, Temu refused to engage in settlement discussions and used the conference as an opportunity to threaten consumers with sanctions if they continued to pursue their arbitration claims against Temu.

13. Petitioners sought to have a AAA arbitrator decide these issues—i.e., whether the conference requirements were enforceable or satisfied.

14. The AAA appointed a Process Arbitrator, an interim arbitrator of limited jurisdiction, to determine limited administrative and procedural issues.

15. Ultimately, the AAA Process Arbitrator ruled that before Petitioners' claims can proceed to a AAA merits arbitrator, a court must first decide the issues involving the conference requirement in the arbitration agreement.

16. In other words, absent this Court's order, Petitioners are unable to pursue their claims in arbitration.

17. Thus, Petitioners submit this petition for this Court to compel Temu to abide by its own agreement to arbitrate Petitioners' claims before the AAA. Petitioners respectfully request that this Court rule that all of the parties' disputes, including issues related to the conference condition, be determined by merits arbitrators before the AAA.

Parties

18. Temu is an online marketplace operated by the Chinese e-commerce company PDD Holdings, offering heavily discounted consumer goods, primarily shipped from China.

19. Petitioners are Temu customers who each submitted their consumer claims against Temu in the AAA.

Jurisdiction and Venue

20. This Court has jurisdiction to grant the relief requested herein pursuant to the Federal Arbitration Act, 9 U.S.C. § 4. This Court also has jurisdiction over this

action pursuant to 28 U.S.C. §§ 1331 and 1367 because the underlying controversy involves claims arising under federal law.

21. Furthermore, this Court has personal jurisdiction over the parties since at least one Petitioner is a resident of New York, and Respondent continuously and permanently does business in New York and has established the requisite minimum contacts with New York.

22. Venue is proper in this District pursuant to 28 U.S.C. §§ 1301(a)(2), 1391(b)(2), and 1391(c)(2), as a substantial part of the events and/or omissions giving rise to the claims emanated from activities within this District, and Defendant conducts substantial business in this District.

Temu's Scheme to Prevent Consumers from Bringing Their Claims in Any Forum

23. In the AAA arbitrations, Temu argued that the issue of whether the conference provisions were enforceable is for a court—and not an arbitrator—to decide.

24. But when other consumers made the same argument in court, Temu took the opposite position and argued that the issue should be determined by an arbitrator—and not a court. *See Hu v. Whaleco Inc.*, Ziboukh Pl.'s Amicus Br., No. 1:23-cv-06962-MKBRML, ECF No. 45, p. 27 (E.D.N.Y. filed 7/5/24); *Id.* at ECF No. 50, pp. 13-14 (filed 8/19/24), Ex. 11 (included as Ex. D to Ex. 11).

25. Unfortunately for consumers everywhere who were harmed by Temu, Temu's scheme to create delays and prevent consumers from bringing their claims appears to be working.

26. The AAA Process Arbitrator ruled that the issue should be determined by a court.

27. But the Court in *Hu*, unaware of Temu's tactics taken in the consumers' arbitrations, determined that the issue should be determined by an arbitrator. *See Id.*

28. Petitioners seek a ruling that all of these issues should be determined by an arbitrator, as required under the Federal Arbitration Act and the parties' arbitration agreement.

29. Consistent with the public policy favoring arbitration—with the goal of efficient, cost effective, and speedy resolution of claims—this Court should compel the parties to resolve their disputes in arbitration before the AAA.

**Temu's Failure to Participate
in Good Faith in the Conferences**

30. On December 19, 2023, Temu published the applicable Terms of Use, requiring that "all Disputes shall be resolved by arbitration" before the AAA (the "Agreement"). Ex. 1.

31. Under the Agreement, before filing a claim in arbitration, a claimant must first submit a Notice of Dispute. *Id.*

32. After a Notice of Dispute is submitted, but before a claim is filed in arbitration, the Agreement states that the parties must conduct a settlement conference in good faith to attempt to resolve the parties' disputes. *Id.*

33. On December 28, 2023, counsel for the parties agreed to mediate the parties' disputes before Robert A. Meyer. Ex. 16. However, Temu later refused to honor the commitment, showing its disinterest in engaging in good faith informal efforts to resolve the disputes.

34. On January 22, 2024, claimants began submitting their formal pre-arbitration Notices of Dispute, pursuant to the Agreement. *See e.g.* Ex. 2.

35. Petitioners disputed whether the conference provisions were enforceable, but in good faith, Petitioners agreed to schedule virtual conferences with Temu. Exs. 3, 4.

36. On February 19, 2024, the parties conducted virtual conferences. *See* Exs. 5, 6.

37. During the conferences, Temu acted in bad faith without any intention of having a “conference” to try to resolve the parties’ disputes. *See generally* Ex. 6. Temu’s intent was to use the conferences for Temu to “gather information” and inappropriately try to chill the consumers with threats of sanctions should they proceed with their claims:

- a. The conferences were attended by a Temu customer service representative, named Michael. Ex. 6.
- b. During each conference, the Temu customer service representative would read the same script, containing four boilerplate questions and a threat of sanctions should the consumer file any claims against Temu. *Id.*
- c. No matter what the consumer responded to each question, the Temu representative would move on to the next question and refuse to have any “discussion” at all. *Id.*
- d. The Temu customer service representative, Michael, repeatedly stated that he believed that the conferences were for Temu to “gather information” and was not willing to answer any of the claimants’ questions. *Id.*
- e. The Temu customer service representative was not willing, and admitted that he had no authority, to receive or make any settlement offers. *Id.*
- f. At the end of reading his questions, the Temu customer service representative read a scripted threat: any continued action against Temu would be countered with sanctions against the consumer. *Id.*

38. Temu therefore waived any argument that Petitioners are required to participate in the conferences since Temu consistently refused to participate in good faith during the conferences.

39. Given Temu's conduct, any additional conferences would be pointless and a waste of the parties' time and resources. Temu has repeatedly shown that it has no intention to engage in good faith during the conferences.

40. In any case, even if required, Petitioners satisfied the conference requirements by participating in the conferences on February 19, 2024. Ex. 6. Five Petitioners attended personally, and the remaining Petitioners attended through counsel. *Id.*

The AAA Proceedings

41. On March 27, 2024, Petitioners began filing their claims in the AAA. Ex. 7.

42. On April 12, 2024, Respondent submitted a letter, refusing to participate in the AAA proceedings because, according to Respondent, the parties had not satisfied the Agreements' conference requirement. *See* Ex. 8.

43. On April 19, 2024, Petitioners argued that the conference precondition was unenforceable but, in any case, that they had, in fact, satisfied the conference requirement. Ex. 9. Petitioners asked for an arbitrator to determine the issue. *Id.*

44. On June 28, 2024, the AAA appointed Dana Welch to serve as a Process Arbitrator. Ex. 10.

45. On July 26, 2024, the AAA Process Arbitrator requested the parties to brief the narrow issue of which must be decided first: (1) whether the conference provision was "enforceable," a question for the arbitrator, or (2) whether the conference requirement was "satisfied," a question for the court. Ex. 17.

46. On August 23, 2024, Petitioners submitted their brief before the Process Arbitrator. Ex. 11; *see also* Ex. 14 (supplemental brief). Petitioners argued, among other things, that an arbitrator must first determine whether the condition precedent is enforceable before Temu can raise its arguments as to whether the condition had been "satisfied." *Id.*

47. On the same day, Respondent submitted its brief before the Process Arbitrator. Ex. 12; *see also* Ex. 13 (supplemental brief). Respondent argued that since it challenged whether the conference requirement had been satisfied under the Agreement, the issue is for a court to determine. *Id.*

48. On September 19, 2024, the Process Arbitrator entered her ruling that a court must consider the issues before the claims can proceed further in the AAA. Ex. 15.

Request for Relief

49. Therefore, Petitioners respectfully request that this Court enter an order:

- a. Compelling Respondent to arbitrate before the AAA all of the parties' disputes, including issues of enforceability, satisfaction, and waiver, of the Agreement's condition precedent for the parties to engage in good faith pre-arbitration settlement conferences, or, in the alternative, compelling Respondent to arbitrate before the AAA all of the parties' disputes, and finding that the Agreement's condition precedent for the parties to engage in good faith pre-arbitration settlement conferences is unenforceable or has been waived or satisfied; and
- b. For such other relief as the Court deems just and proper.

Dated: March 21, 2025.

Respectfully submitted,
